Request to Change Home Confinement Condition

Dear Judge Pisano:

On June 1, 2006, Your Honor signed an order authorizing a modification of Gregory Sims' supervised release conditions to include a four month period of home confinement based upon his non-compliance with his supervision.

The probation office recently learned that the releasee has ongoing visitation with his son. The purpose of this letter is to request the Court's approval to modify the offender's home confinement schedule to include regular visitation with his son outside of the home and inclusive of school activities.

Therefore, unless Your Honor considers otherwise, we ask that you review the enclosed Probation Form 12B and sign the form authorizing the change in modification. If Your Honor requests an alternative course of action, please advise. We will make ourselves available should Your Honor wish to discuss this matter. You may contact the undersigned at the telephone number listed above.

Respectfully submitted,

CHRISTOPHER MALONEY, Chief  
U.S. Probation Officer
